

# MANOJ GAIKWAD

## PROFESSIONAL SUMMARY

- Having 2.2+ Years of software development experience in developing enterprise level Web based application using Microsoft .NET Technologies.
- Experienced in developing applications using C#.Net, ASP.Net Core, WEB API, Asp .Net MVC, MSSQL Server, JSON.
- Hands on in application development using Angular 6+, Typescript.
- Good Knowledge developing applications using WEB API, Asp.Net MVC.
- Experienced in building, consuming, and publishing Web API.
- Worked on Database design, normalization, Queries, Joins, Stored procedures, Functions in MS- SQL Server

## EXPERIENCE

### Suma Soft Pvt. Ltd. -

#### Project 1 (HRMS) - Human Resource Management System

Developed a comprehensive HRMS to streamline employee management processes, including workday tracking, leave management, and performance evaluations. Leveraged advanced technologies to enhance organizational structure and optimize HR operations. Key features include automated leave approvals, real-time attendance tracking, and detailed reporting dashboards. The implementation led to significant improvements in HR efficiency and data accuracy.

#### Project 2 (RES) - Realgy Energy Services

Designed and developed a robust platform for Realgy Energy Services, focusing on energy management and customer service. The system provides real-time energy usage analytics, billing management, and customer support functionalities. Integrated with third-party API's for dynamic data retrieval and reporting. Enhanced user experience through intuitive UI/UX design, resulting in improved customer satisfaction and operational efficiency.

#### Project 3:(TMS) - Task Management System)

Created a sophisticated task management system to facilitate efficient task tracking and team collaboration. The system includes features for task creation, assignment, document uploads, and status updates. Utilized Angular for the frontend, .NET Core for the backend, and JWT for secure authentication and role-based access control. Implemented comprehensive reporting and task tracking functionalities, enabling users to monitor progress and generate detailed reports. The solution improved team productivity and project management efficiency.

## CERTIFICATIONS

Dot Net development certification - Unique System Skill Pvt. Ltd.

## CONTACT

**Address :** Pune, MH, India

## QUALIFICATION

Bachelor of Engineering - Computer Science and Engineering. 2018- 2021  
**Sipna College Of Engineering and Technology Amravati.**

## TECHNICAL SKILLS

### .Net Technologies-

- ASP.Net Core
- C#.Net
- Web API
- ASP.Net Core MVC
- Entity Framework Core
- LINQ

### Web Technologies-

- HTML
- CSS
- JSON
- Angular
- PrimeNG
- BootStrap

### IDE-

- Visual Studio 2022/2019
- Microsoft Visual Studio Code

### Database

- MS SQL with Stored Procedures

### Source Control/Build

### Tools/Development Process monitor

- Git
- Azure DevOps
